19. **DOGS IN VEHICLES ON HOT DAYS** Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time. Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations. Right to Refuse Entries. Exhibitors/Competitors are reminded that show societies have the right under Kennel Club Regulation to refuse any entry.

20. **NOT FOR COMPETITION** Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.

21. **EXCLUSION OF DOGS** The committee is empowered to exclude or remove any dog which is not in a fit state for exhibition owing to disease, savage disposition or any other cause and the entry fee will be forfeited.

22. **REPLACEMENT JUDGES:** Should any judge be prevented from fulfilling his or her engagement the committee reserves the right to appoint a substitute. Exhibitors will be at liberty to withdraw their dogs from competition under such circumstances but no entry fees will be returned.

23. **DOG FOULING:** Any owner, exhibitor, handler or other person in charge of a dog is requested to remove as soon as possible any fouling caused by their dogs.

24. **RESPONSIBILITY:** It should be distinctly understood by exhibitors and purchasers of dogs at the show and all other persons that the Committee will not be responsible for the entire or partial loss or detention of or damage to dogs or any other property whether arising from accident or any other cause whatsoever, or from any act or omission of themselves or their Officers, servants, agents or others. It is on this understanding only that entries are accepted.

25. All Rules and Regulations or definitions or instructions in the nature of Rules and Regulations printed for convenience in other parts of this schedules shall be deemed to form part of these Rules and Regulations. Should any question arise which is not provided in these regulations the decision of the Committee shall be final subject to appeal to the Kennel Club.

26. **Soft Crates:** The Kennel Club has drawn attention to the potential health and safety implications concerning the use of soft crates at shows as in its view, they do not offer sufficient protection to dogs. Soft crates left unattended at the ringside are a potential hazard particularly when occupied by large breeds, and it has been known for dogs to become distressed and move soft crates along

the floor and also escape. Soft crates should only be used when there is sufficient room available and when they can be safely secured.

27. Each exhibitor is responsible for providing their own crate or cage identification detailing that exhibit number, this should be displayed at all times. The original exhibit number as provided by the Show Society must not be used for this purpose.
